

## **Robert W. Plaster Foundation**

### **Funding Focus and Areas of Emphasis**

The mission of the Robert W. Plaster Foundation is to promote expanded educational opportunities, pride in America, and belief in the free enterprise system, for the benefit of America's youth, through named capital projects.

Primarily, the Robert W. Plaster Foundation establishes and supports Robert W. Plaster Free Enterprise Centers. These are generally, but not exclusively, at colleges and universities, and often house business schools and/or entrepreneurship centers. All of the projects funded should be consistent with Robert W. Plaster's philosophy of giving in a conservative and Christian environment.
